

2021 PGI Convention Medical Cart Request

In order to obtain permission to use a golf cart or special vehicle for medical reasons, please provide a copy of your state's handicap sticker. If you do not have a sticker you will need a letter from your doctor stating the reason for needing a golf cart. **This does not apply to the use of motorized wheelchairs and single occupant scooters that are required for medical purposes.**

You will be responsible for ordering your own golf cart. PGI does not provide this information for you. You are also responsible to arrange delivery and pick up with that company. This also includes any fuel cost and or damages you might have incurred or caused.

With your request for a handicap cart or special vehicle, please sign the guidelines and waiver form. Include a copy of either your handicap sticker or letter from doctor. Upon review of your request you will be notified of the decision. You may send the request to Rick LePage, Fire/Med Chief.

Thank you,
PGI Board of Directors
